

Sponsorship Opportunities for an Evening of Celebration & Appreciation

Thank you so much for considering supporting the Traprock Ridge Land Conservancy (TRLC). This wonderful new land preservation organization was created in April 2023, merging three longtime land trusts for the towns of Bloomfield, West Hartford, and East Granby. As described at www.trlandconservancy.org, the new land conservancy:

- Preserves 49 properties across 642 acres;
- Spans the traprock ridge shared by the three towns and the Farmington and Park River watersheds;
- Includes hiking trails, nature preserves, community gardens, and four working farms; and
- Sponsors outdoor activities, and provides educational programs that benefit community members of all ages, especially young people.

TRLC's Evening of Celebration and Appreciation on October 1 is an opportunity to introduce ourselves, our members, and our new organization and future plans to community members. We particularly want to recognize and thank the organizations that have helped and supported us through the merger process. Your sponsorship will help make this inaugural event possible.

Available sponsorship levels:

1. \$500 Hazelnut Level
2. \$1,000 Sugar Maple Level
3. \$1,500 Oak Tree Level

Benefits of your sponsorship will include:

- Listing in event publicity, including social media and wintonburylandtrust.org/social.
- Sponsor name read during event, included in the evening program, and on a banner with all sponsor names hung at event.
