GEOLOGY FROM THE RIDGE TO THE RIVERS

**THIS VIRTUAL PROGRAM WILL BE HELD ON JANUARY 3RD, 2023,
6:30 P.M. SIGNUP @ [TRLANDCONSERVANCY.ORG](https://trlandconservancy.org)**

Join us as we explore our region from the ridge to the rivers. Together we will learn about our region's geological history including :

- glacial history of the Hartford basin
- how the rocks that make up the ridge were formed
- the effects our ridge line have on our watershed

Presented by CT DEEP Professional Geologist, Megan Seremet, Adjunct Professor of Geological Studies, Alexa Tzanova, CT DEEP Watershed Manager, Susan Peterson
